

Idaho Chapter 99's Annual Report 2020 by Stacey Budell Idaho Chapter Chairman and NW Section Vice Governor

9/07/19 Fly in to Joseph,OR with several members in a few planes including a future 99 Lyxi Budell. The Airport Car would not start after we all piled in, we tried our best to jump start it with our portable charger to no avail...finally most of us walked to town while some of the members rode bicycles, the walk was filled with great scenery including a few deer, a great meeting, great food good times.

10/05 The Gov and I went to the 50th Birthday Party for the Seattle 99s and had a great time at the Boeing Museum. Idaho Chapter meeting was held at the Nampa Airport KMAN where Karin Didissee was acknowledged as the NW Scholarship winner. The Idaho Division of Aeronautics asked us to help with Smith Prairie work party.

11/07 The annual membership drive meeting was held at my house in Caldwell with a great attendance where we played a movie on loan from Mary Cooke called "A Brief Flight" Hazel Ying Lee and the women who flew pursuit. It is an inspiring true story of the first Chinese American Woman to fly for the US Military. I highly recommend it if you haven't seen it.

12/07 The Christmas Party was held in Baker City at the Geiser Grand where a few members enjoyed High Tea! Also on the 23rd the SheTech Booth was well attended in Boise at BSU 01/11/20 Annual Planning Meeting was held overlooking Boise at member Boo Carters lovely home with a Potluck and great attendance. The meetings were set for the upcoming year.

The February meeting was held at the Nampa Airport The chapter had enough money to send \$100 to each of the following:Amelia Earhart birthplace, the 99 Museum at OKC NIFA, and the AE Scholarship Fund

The March meeting was held at the Sunrise Skypark home of Lisa Allen, Idaho Treasurer, where everyone brought scissors to help cutout material for bags to sell for fundraising! Then COVID 19 basically shut us down. The End
