Northwest Section ~ Ninety-Nines

Gabrielle Scholz

Announcing the Winner of the Northwest Section's Scholarship

We are so excited to announce the winner of this year's Patty Mitchell Northwest Section of The Ninety-Nines Scholarship - Gabi Scholz!! We asked Gabi to tell us a little about herself:

My name is Gabrielle Scholz, and I am an aspiring professional pilot originally from Brazil. I moved to the United States to pursue my dream of earning my FAA licenses, including Instrument, Commercial, and CFI. To support my training, I have worked as a nanny, dedicating myself fully to making my aviation goals a reality. I am about to take my IFR checkride and I am also focusing on my Commercial Pilot Certificate. Receiving this scholarship is a tremendous honor, and it will help me continue progressing in this journey. I am passionate about aviation and deeply grateful for the opportunity to keep advancing toward my dream of becoming a professional pilot.

Mid-Columbia Chapter - Compass Rose

On May 24, 2025, the Mid-Columbia Chapter completed its very first ever compass rose at Richland Airport in Richland, Washington. Aileen Coverdell, airmarking chair, and Bonnie Molitor started several weeks before by painting a practice compass rose in Aileen's driveway. Working closely with the airport manager and outlining the compass rose the day before significantly helped make the painting go faster. Eighteen Ninety-Nine members and guests participated in the event. After the painting was completed, everyone was treated to a taco feast.

Governor's Gab

by Beth Chapple

This spring I want to draw everyone's attention to the activities of several chapters. Wyoming now boasts eleven members. At their first in-person chapter meetup in Cheyenne on April 12th, they discussed the 2025 Air Race Classic's stops in Gillette and Rock Springs, WY, and what they want to achieve as individuals and Ninety-Nines, among other topics. Mid-Columbia is to airmark their first compass rose in Richland, WA, on May 24 at 8 am, and they welcome your help! Columbia Cascade has put forward numerous candidates for scholarships, and the 2025 section scholarship of \$1500 went to Gabrielle Scholtz (see <https://nw99s.org/p/38/Announcing-the-winner-of-the-2025-Patty-Mitchell-Northwest-Section>).

Membership: As of May 2025, we have 630 members in the section, of which 138 are student pilots.

I recommend that every Ninety-Nine reading this takes the initiative to introduce herself and to reach out to those listed on the Membership Directory at <https://www.ninety-nines.org> as on Standby (1 month past due on paying dues) or on Hold (2 months past due). We don't want to lose any of our wonderful women pilots! Perhaps your chapter has a membership chair to help with this important task.

Section Activities/Outreach: We stay in touch with this beautifully designed *Northwest Navigator*.

As you may have heard, the Air Race Classic, the only all-women US air race, is coming to the Northwest this year! Racing teams will take off from Fairhope, AL, on June 17 and reach the terminus in Spokane, WA, by June 20. The racers will pass through the Northwest with stops at KGCC (Gillette, Wyoming), KRKS (Rock Springs, Wyoming), KJER (Jerome, Idaho), KLGD (La Grande, Oregon), and KSFF (Spokane). Multiple teams have registered from the Northwest region! Intermountain chapter is coordinating welcoming activities at the terminus, Mid-Columbia chapter members will volunteer at the KLGD stop, and Wyoming chapter members will help at KGCC and KRKS.

Some of the other regional events that 99s will attend this spring and summer include:

- Moses Lake Airshow, WA (KMWH), June 20-21
- Airshow of the Cascades, Madras, OR (S33), August 22-23
- Hood River OR Fly-In at Jernstedt (4S2), hosted by the Western Antique Aeroplane & Automobile Museum (WAAAM), September 6-7
- See the [Calendar of Events](#) at the end of this newsletter

Contact your local chapter to get involved in these and other fly-ins and aviation days.

Section Meetings: Vice Governor Theresa White and Director Bonnie Molitor ably arranged speakers, food, and activities in Prosser for our Spring BoD meeting, April 25-27 at Bergstrom's and the Red Lion Hotel at Tri-Cities Airport in Pasco, WA (KPSC). On the last day, about a dozen flew or drove to my Desert Aire airport (M94) house for blueberry and apple pies! The Fall Annual Business Meeting will be hosted by Montana, Wyo., and Intermountain, October 3-5 at Copper King Hotel at Bert Mooney International Airport (KBTM) in Butte, MT, with keynote speaker earthrounder CarolAnn Garratt.

Do not hesitate to contact northwest99s@gmail.com with any questions or ideas about section events or to volunteer.

Northwest Section Elections are Coming!

by Kathy Hughes, Nominating Committee Chair

Every two years the NWS holds elections for the officers of our section. Per the standard operating procedures, every odd year we elect a Governor, Vice Governor, Treasurer, Secretary, the Nominating Committee, and three Directors. The Directors are elected and the election results are announced at the fall Annual Business Meeting, which this year will be held in Butte, MT, October 3-5 (<https://nw99s.org/meetings>).

The Northwest Section officers election will take place in June. Voting will open June 1 electronically via ElectionBuddy and members who have NOT opted out of electronic voting will receive paper ballots which must be postmarked no later than June 25. According to the International 99s Headquarters, the NWS has 634 members in good standing, with 42 member who have opted for a paper ballot. The link for ElectionBuddy will be sent by email and will also be posted on the NWS website. Chapter officers will also be asked to encourage their members to vote—we are all better when we are actively participating in our chapter, section, and international activities!

Nominees for the three Directors positions are still being sought—please reach out to Kathy Hughes if you are interested. She can be reached at foga10md@gmail.com or by cell at 810-516-4028.

The Nominating Committee Chair, Kathy Hughes, and the two other members, Linda Worden and Jenn Sturgill, have been busy since January seeking nominations for the slate and are excited to introduce you to the slate of candidates!

Governor - Beth Chapple

Well-known to us as our current Governor, Beth joined the Western Washington chapter of the 99s in February 2003, where she is the current treasurer. Other Ninety-Nines provided wonderful encouragement as she obtained her Private Pilot certificate in July 2004. In her chapter she has served as secretary and vice chair as well. The Northwest Section webmaster from 2015 until 2023, she is serving as your section governor for the 2023-25 term. Beth has attended numerous 99s Section meetings, including flying all the way to Las Vegas for the joint meeting with the

Southwest Section. She has logged over 900 hours total time in single-engine airplanes, seaplanes, and gyrocopters. In the old days, her two sons used to fall asleep in the back of her flying club's Cessna 172. She continues her longtime freelance work as an editor of books and articles. She happily owns an Evektor Harmony LSA with her husband Niklas and hangars it in Arlington and Desert Aire, Washington, venturing across the Cascades frequently.

Vice Governor - Bonnie Molitor

Bonnie is completing her second term as a Director. She is a retired nurse and a student pilot. She lives in Ardenvoir, Washington, and flies out of Wenatchee (KEAT) and Pasco (KPSC). With her love of aviation, she had to join The Ninety-Nines. Bonnie belongs to and is co-chair of the Mid-Columbia chapter.

Section Elections, continued

Treasurer - Sue Purvis

Sue earned her pilot's license in 2009 at Monterey, California. It was a class C airport, so she learned quite a bit of radio work. Just to fly to nearby Salinas to do touch-and-goes took talking to Monterey, NorCal, and Salinas all in 20 miles. She joined the Salinas Pilots Association and the Monterey Bay 99s and flew all over California for lunches and overnight trips. It was a great time to fly. She was also on the Salinas Airport Commission which was a great privilege to get to hear what was going on with the airport and help make decisions for the future of the airport. Sue was an accountant by profession, working as a financial controller of a salad processing plant and was the treasurer of the Salinas Pilots Association for 10 years. When she retired, she moved up to Wenatchee, Washington, and immediately joined the Mid-Columbia 99s chapter. Sue has been here for 3 years now and loves it. She would like to get back into aviation leadership and help make a difference in our 99's community.

Secretary - Alyssa Rittel

Alyssa is a CFI teaching in interior Alaska and a commercial seaplane pilot flying super cubs on floats. After working as a firefighter/EMT for nine years, she stayed home to raise her family for several years before pursuing her lifelong dream of becoming a pilot. She began her aviation journey in 2021, quickly found a passion in flying, and decided to pursue an aviation career. She also enjoys the incredible community surrounding aviation. The mentorship and support received from her local chapter, the Midnight Sun 99s, has been an integral part of her aviation path and she looks forward to giving back by continuing to serve in an officer role. In addition to flying, Alyssa stays busy as a mom and enjoys outdoor adventures, music, and gardening.

Nominating Committee - Theresa White

Theresa fulfilled a lifelong dream of learning to fly at age 50. She joined the Oklahoma 99s as a student pilot and is currently a member of the Greater Seattle Chapter, where she has served as chapter chair, vice chair, secretary, and also as Aviation and Space Education chair. She flies a Cessna 172, which she has flown to all four corners of the U.S. and the Bahamas. She holds a private pilot certificate, single engine land and sea, a tailwheel endorsement, and has accumulated many fun flying hours. Theresa is on the board of directors of the Air Race Classic, which she has flown three times, and also volunteered as timer at the Reno Air Races for several years. A favorite aviation activity, which follows the intensely fun, but competitive Air Race Classic, is the more relaxing biennial "barnstorming" Air Tour with the Puget Sound Antique Airplane Club that she and her husband fly in their Navy N3N open-cockpit biplane. Before moving to the Northwest, she competed in, and won, the Okie Derby, a long-running flying competition in Oklahoma. Theresa retired from the FAA in 2017, where she worked as a technical writer/editor in aircraft certification in Renton, WA. In Oklahoma City, she worked in International Training at the FAA Academy supporting the Aviation English training program for non-English speaking air traffic controllers and pilots.

Section Elections, continued

Nominating Committee - Nita Tallent

Nita, a retired scientist and now high school science teacher, joined the International Ninety-Nines in July 2021 at EAA AirVenture. In 2024, she was elected as Vice-Chair and Treasurer of the revived Northwest Section Wyoming Chapter. Nita is dedicated to increasing membership, promoting aviation, and creating opportunities for women aviators in Wyoming. She seeks to join the Nominating Committee to support the recruitment of leadership for the NW Section. She attended the spring 2025 Northwest Section meeting and is co-hosting the fall 2025 meeting with the Wyoming Chapter Board and the Montana Chapter in Butte, MT. Nita, a student pilot, aims to earn her private pilot certificate by 2026, which will enable her to fly the Piper Cherokee 180.

Nominating Committee - Kathy Hughes

Current Chair of the Nominating Committee, Kathy would like to serve on the committee again to help with continuity of the committee going forward. Kathy has been a member since 1993 and is the Chapter Chair of the Idaho 99s. Kathy is an occupational and aerospace medicine physician who also is a Senior Aviation Medical Examiner performing FAA medicals at her hangar at U82, Council, ID. A retired Air Force Pilot-Physician, she spent over 26 years in the military. She has over 4,500 hours in a number of military aircraft and currently enjoys flying her 1963 Bonanza Debonair that she has owned for over 30 years (bought from a Nebraska Chapter 99!).

NINETY-NINES
WOMEN PILOTS

Air Race Classic Teams

Did you know we have eight teams representing the northwest region in the 2025 Air Race Classic?

We caught up with a few of the teams to find out a little more about them.

FELTS FIELD SKY QUEENS

PIC Rachel Skirvin and SIC Sarah Roark are racing as the Felts Field Sky Queens in this year's Air Race Classic, flying a Piper PA-28-235 generously donated by fellow Spokane WPA member C.J. Amestoy. Rachel is a CFI/CFII at Northwest Flight Service, and Sarah is a Part 91 corporate pilot flying out of KOAK. The team is proud to join a group of 4 teams from the area, and thrilled to meet aviatrixes from across the country, hear their stories, and refine their skills in this historic cross-country race.

SKYWAGGIN' CHICKS

Deanna Bender-Hicks (left), Pilot, based out of Diamond Point 2WA1 in Sequim, WA and her co-pilot, Michaela Johnson (right), based out of Lincoln KLHM in Sacramento, CA, are flying as the Skywaggin Chicks. We met through social media and then in person at the annual High Sierra Fly-in. We will be flying our beloved '57 Cessna 180 Skywagon, Juliet Lima, to represent the West Coast in this historical all-female, transcontinental air race! Our Team name "The Skywaggin' Chicks" represents backcountry flying, the love of our 4-legged furry family members, and our love of all things Tailwheel, and their waggin' tail feathers!!

LILAC LADIES

The Lilac Ladies, Melinda Denton and Anne Anderson, fly out of Deer Park, WA. We primarily fly a Cessna 182 and that is what we're flying in the air race. We truly are about aviation adventures as we have flown thru five countries in Africa ~ a tour of Australia ~ and from Spokane to Fairbanks, Alaska. Other adventures include flying the back country of Idaho and landing on a red square on runway 36R at Oshkosh. We have considered this race in years past; with it terminating in Spokane it just made sense to add this to our adventures. Aviation adventures are the best!

PENGUIN POWER

Elizabeth Menozzi (left), of Eastsound, WA, and teammate Samy-Rae Brain (right) were teamed up by race organizers and are looking forward to meeting each other in Fairhope, AL, in June to begin their journey.

**WISHING BLUE SKIES, SMOOTH TURNS, AND THRILLING SPEEDS TO ALL
THE NORTHWEST TEAMS!**

**ALL SPORTS AVIATION LADIES • FELTS FIELD SKY QUEENS
FREE REIN • IDAHO SKIES • LILAC LADIES
PENGUIN POWER • SKYWAGGIN' CHICKS
WHISKEY ROW RACERS-ROADRUNNER**

And thank you to local Ninety-Nines chapters for supporting the Air Race Classic!

The Wyoming Chapter is available to support the stops at Gillette and Rock Springs, WY.

The Idaho and Eastern Idaho Chapters will be at the Jerome, ID, stop to welcome and provide ramp ops for the racers June 18-20.

The Mid-Columbia Chapter is providing timers and ground support at the La Grande, OR, stop June 18-20.

The Intermountain Chapter will be there to welcome racers at the Felts Field terminus.
