Northwest Section ~ Ninety-Nines

---

## Summer Flying

Our Northwest Section members have been busy with activities of all kinds this summer! Airmarking and airplane camping, ballooning and gliding, earning ratings and reaching milestones, winning scholarships and raising money for charity, racing and welcoming racers, representing The Ninety-Nines in parades and at air shows—you name it, we've been doing it. And best of all, spending time up in the sky!

Keep reading for updates on member achievements as well as chapter, section, and international activities.

# Governor's Gab

by Beth Chapple

**International Ninety-Nines Conference** - The big event for me in July was my trip as your governor to Burlington, Vermont, for the International Ninety-Nines Annual Business meeting and the sightseeing and networking opportunities. With a bit of luck and pluck I managed to get on the dinner cruise on Lake Champlain and chat with many pilots.

The special guest at the welcome reception was a grandnephew of Amelia Earhart, Bram Kleppner, who brought with him their amazingly large family bible. His birth date and hers are recorded on the same page! He is a tireless advocate for Amelia's legacy. Meeting him was a fun part of the evening, which of course was also filled with hangar flying conversations.

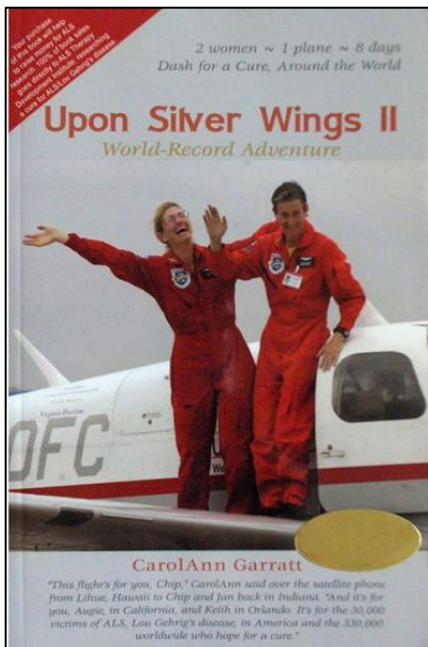

Another optional event that turned out to be lots of fun was an afternoon at the Shelburne Museum, whose collections include Impressionist paintings, the giant steamboat Ticonderoga, fabric art, and quilts. Here is longtime Ninety-Nine Ellen Nobles-Harris, who taught me to look for a spider web in every crazy quilt.

At the business meeting we discussed and then voted on a dues increase of \$10 for all members across the board, which just took effect (see Marjy's article on page 10 for much more about the business meeting). A charming video at the end invited us to the 2026 International Conference in San Diego. At the awards banquet we learned about all the scholarship winners, and then I had the honor of helping President Robin Hadfield present the awards of achievement and inspiration. (Ask me and I'll be happy to tell you all about those!)

**Annual Section Meeting** - Thank you if you have already registered for this fall's Northwest Section Annual Business Meeting and Conference, October 3-5, 2025, in Butte, Montana (KBTM). We are looking forward to meeting new members and reconnecting with continuing members, both in person and online. Registration, which includes all meals, closes September 30: see [nw99s.org](http://nw99s.org) for the registration form if you don't have one already. But even more crucial, the hotel rate of \$159 +tax for a King or two Queen beds at the Copper King ends on September 3; so please call (406) 221-2684 and request the group rate for the "Northwest 99s." The festivities start on Friday with our keynote speaker, earthrounder CarolAnn Garratt, who flew around the world three times in her Mooney and wrote about it in her *Upon Silver Wings* books, which she is bringing with her. There will then be a welcome reception so we can continue the conversation as well as hear about Amelia's connections to Wyoming. At Saturday morning's meeting we plan to discuss our section scholarship, brainstorm about the location for the 2028 International Conference (to be hosted by our section!), and select three new board directors. After lunch we have several aviation speakers lined up before the evening's finale, the awards banquet.

We hope that every chapter in our section can send at least one representative, since we all want to learn what each chapter has been up to all year and celebrate individual accomplishments: new wings, ratings, and more. And, if you can, please bring a snack or drink for the hospitality room and a book, artwork, gift card, or other aviation-related item for the silent auction that benefits the section scholarship, which we hope to grow. If you can't make it or your item is too heavy to travel with, please mail it to Montana chapter Vice Chair Charity Fechter to the address in the Ninety-Nines.org member directory, or contact her to find out the address if you prefer to send it via UPS or FedEx. Then contact me at [northwest99s@gmail.com](mailto:northwest99s@gmail.com) to let me know what you plan to bring or send. Thank you so much.

# Local Chapter Activities

Send chapter updates to [newsletternw99s@gmail.com](mailto:newsletternw99s@gmail.com) for publication in the next newsletter

## Midnight Sun Chapter

Friendly Fishes Film is working on a documentary about the Midnight Sun 99s featuring the stories of Phyllis Tate, Heather Zulkanycz, and Kelly Reynolds. This film will dive into legacy, resilience, and the unique culture of female bush pilots in Alaska. We are honored to be part of a project that highlights the strength and determination of women in aviation.

## Eastern Idaho Chapter

The Eastern Idaho Chapter has had a busy summer! In June they hosted the Jerome stop for the Air Race Classic and supported the Young Eagles event in Teton Valley. In July, the chapter was in the Teton Valley 4<sup>th</sup> of July parade and participated in the Tin Cup event in Driggs.

## Montana Chapter

The Montana Chapter is having a painting year! They started by painting a compass rose at Three Forks (9S5) in July. They'll also be airmarking at Glendive (KGDV, August 30), Townsend (8U8, September 20), and Seeley Lake (23S, TBD) Airports this fall.

## Crater Lake Flyers Chapter

The Crater Lake Flyers have been involved in a variety of events in recent months. Members enjoyed Balloons over Bend in May, then painted a compass rose at Siskiyou County Airport (KSIY) and airmarked at Malin Airport (4S7) the same month. They also had booths at the Ashland Airport Day in June and at the Kingsley Field Wings and Eagles airshow in July.

## Oregon Pines Chapter

The Oregon Pines celebrated the chapter's 45<sup>th</sup> anniversary in May! They also participated with a booth at Wings and Wheels at the Oregon Aviation Historical Society and Museum in June. On June 27, the Oregon Pines Chapter honored the legacy of the Petticoat Derby, an annual event held by the 99s Oregon Chapter from 1961 to 1969. With an onshore marine layer over Western Oregon, we adjusted our route to ensure safety and visibility. Taking off from Independence State Airport, we made stops in Lebanon, Corvallis, Aurora, and McMinnville before returning to Independence. Seven pilots flew in tribute to the pioneering women who embodied the spirit of The Ninety-Nines 60 years ago.

PORT OF BENTON  
OFFICIAL PROCLAMATION – 25-02  
HONORING THE MID-COLUMBIA CHAPTER OF THE NINETY-NINES

**WHEREAS**, the Mid-Columbia chapter of the Ninety-Nines, part of an international women in aviation organization, volunteered to improve the Richland Airport with the creation of a compass rose; and

**WHEREAS**, over the past 90 years, through a legacy of service, the international organization has contributed greatly to countless airports across the world; and

**WHEREAS**, the Mid-Columbia chapter devoted upwards of 250 volunteer hours preparing for, outlining, and ultimately painting the 80-foot diameter compass; and

**WHEREAS**, this airmarking will be a permanent visual landmark for pilots in the skies as well as a practical calibration tool for aircraft on the ground.

**NOW, THEREFORE, BE IT PROCLAIMED** that the Port of Benton Commission does hereby commend all the members of the Mid-Columbia chapter of the Ninety-Nines for what they have done and continue to do, through their volunteer efforts to further aviation for everyone.

**DATED AND SIGNED** at Richland, Washington, on the 6<sup>th</sup> day of August 2025.

## Mid-Columbia Chapter

In early August, the Port of Benton (WA) issued an official proclamation honoring the Mid-Columbia Chapter for their work on the Richland Airport compass rose in May. The chapter also supported the Richland Young Eagles event that month. They really got around in June: chapter members provided a “Preflight with a Pilot” activity at the Yakima Aviation Day kids’ zone, volunteered as timers for the Air Race Classic stop in La Grande, OR, and hosted 99s booths at the Moses Lake Airshow and the Pangborn Festival of Flight. Members met up at the Wallowa County Fly-In in July, and the chapter will be airplane camping at Electric City (3W7) in August. In September, you can join them at Cashmere Airport Day or painting a compass rose in Wenatchee.

## Columbia Cascade Chapter

The Columbia Cascade Chapter did a fabulous job representing The Ninety-Nines at the Oregon International Air Show in Hillsboro at the beginning of the summer.

# Section Awards

It's that time of year Ladies! *Let's get those Awards Nominations turned in on or before September 10<sup>th</sup>.* The awards will be given at the Awards Dinner at the Northwest Section Meeting in Butte, Montana.

## Spinning Prop Award

This award is to encourage us to get out in our planes and log some hours. It is given to the person who has logged the most time between our annual section meetings in a noncommercial status. Individuals receiving instruction training may count those hours toward the award. Hours flown will be verified by nominees submitting logbook entries to the Section Awards Chairman, NOTE: Logged time will be from July 1 to June 30.

## Hot Pavement Award

Airmarking has been an important and fun tradition of The Ninety-Nines. This award honors those chapters that have been active in airmarking.

## Behind The Clouds Award

The success of our chapters depends upon the hardworking individuals who put in time and energy and are always there to help. This award honors those individuals. This award is to honor someone who has not had prior recognition for her efforts. It may be given to a chapter officer or general member.

## Aviation and Space Education Award

In keeping with the educational mission of The Ninety-Nines, this award is given to the chapter that has made the most contributions to Aerospace Education in a given year.

Send all nominations to Bonnie Molitor, Awards Chairman, at [bonniemichele@outlook.com](mailto:bonniemichele@outlook.com). Thank you!

# News from International

Notes from The Ninety-Nines International Business Meeting

by Marjy Leggett

The annual International Ninety-Nines Business Meeting was held on July 12, 2025, in Burlington, Vermont.

## Endowment Fund:

It was only a few years ago that the Ninety-Nines were struggling to reach one million dollars in the Endowment Fund. At the July 2025 meeting, Chairman Mary Wunder reported we now have over \$4,713,000 in the Endowment Fund, thank to the generous donations of our Ninety-Nines members.

## Bylaws:

The membership voted on three amendments to the International Bylaws:

1. Definition of a woman. "Woman" refers to how a person identifies herself under sex/gender on her pilot's documentation, official government ID, or equivalent. The motion needed 2/3 of delegates to vote in favor in order to pass. The vote was 100 For, 85 Against. The motion failed.
2. Definition of a pilot: "Pilot," for the purpose of qualification for membership, means the certification or qualification, by the applicable authority of the home country, for operation of aircraft which require one or more pilots to be physically on board the aircraft to directly control the aircraft. (In other words, "piloting" a drone would not be considered qualifications for membership in The Ninety-Nines.) The motion needed 2/3 majority to pass. The vote was 129 For, 35 Against. This met the 2/3 rule, so that amendment passed.
3. Membership Dues: This proposal would increase dues across the board to all members by \$10.00. Currently, student pilot dues are \$35 and regular membership in the U.S. is \$65. Members objected to increasing dues for student pilots. Because this is a Standing Rule, rather than a Bylaw, only 50% is needed to pass. An amendment was added to NOT raise dues for student pilots. It passed 92 to 88. Raising dues \$10 for all except student pilots passed 164 to 17. Dues are now increased to \$75 for regular U.S. membership and will remain \$35 for student pilots for two years. After two years at the student pilot rate, the student will have to pay \$75, even if they are still a student pilot.
