

Northwest Section Awards

For Activities July 1, 2023 to June 30, 2024

NOMINATIONS ARE DUE JULY 15, 2024 TO THE RESPECTIVE CHAIRS

We give the following awards to honor the women who have been a part of our Ninety-Nines flying history and to inspire us all to continue in the great tradition and spirit of this group.

Governor's Award - This award is given by the Northwest Section Governor to honor a Ninety-Nine for her achievements in aviation. It is given each year to honor a member of the Northwest Section who has demonstrated outstanding achievement in aviation. This award allows the Section to honor and acknowledge accomplishments in areas outside of our organization. Nominations are received from the nominee's chapter or another Ninety-Nine who has personal knowledge of her achievements. Send nominations to the Section Governor, who makes the final selection.

Behind the Clouds Award - The success of our chapters depends upon the hardworking individuals who put in time and energy and are always there to help. This award honors those individuals. This award is to honor someone who has not had prior recognition for her efforts. It may be given to a chapter officer or general member. Nominations come from chapter chairs and are sent to the Section Awards Chair, who makes the final selection.

Aviation and Space Education Award - In keeping with the educational mission of The Ninety-Nines, this award is given to the chapter that has made the most contributions to Aerospace Education in a given year. The chapter chair or chapter aviation and space education chair will send the record of chapter activities to the Section Awards Chair, who makes the final selection for the award.

Spinning Prop Award - This award is to encourage us to get out in our planes and log some hours. It is given to the person who has logged the most time between our annual section meetings in a noncommercial status. Individuals receiving instruction training may count those hours toward the award. Hours flown will be verified by nominees submitting logbook entries to the Section Awards Chairman, NOTE: Logged time will be from July 1, 2023 to June 30, 2024. Members are encouraged to submit logged hours of 25 or more. The submission must include a photo copy of the first and last logged pages during the period with a list including each page total on the pages in between the first and last pages. The one with the most hours flown will receive the award, and all others will be recognized in hourly tiers of 25-49, 50-74 etc.

Hot Pavement Award - Airmarking has been an important and fun tradition of The Ninety-Nines. This award honors those chapters that have been active in airmarking. Submit all airmarking reports to the Awards Chair, who will select the recipient(s).
