International Awards Call for Nominations

Each year, our International Awards shine a spotlight on individuals and organizations who make aviation stronger, safer, more inclusive, and more inspiring. These awards celebrate those who embody the very best of our mission and values. Nominations come from our members, Chapters, Sections, and Trusts – and we need your voice to ensure outstanding contributions are recognized. If you know someone deserving of recognition, now is the time to submit a nomination and help us share their story with the world. Scan the QR code to open the International Award Nomination Form.

Northwest Section Meeting

October 4, 2025, Butte, Montana

By Marjy Leggett

The 2025 Northwest Section Meeting was held at the Copper King Hotel and Conference Center across from the Butte, Montana Airport. Unfortunately, the low clouds, rain, and potential snow prohibited any of the attendees from flying in on their own. Debbie Dreyfuss, the international representative, flew in commercially.

The business portion of the annual Section Meeting was rather short, lasting only two hours. Reports were included in the electronic packet which was sent out before the meeting. Minutes from the past Section meeting and the budget were approved, and several reports were given. It was mentioned that dues were increased by $10.00 except for students.

Awards chairman Bonnie Molitor presented the awards at the evening banquet. The award winners were:

- Behind the Clouds Award–Lorraine Martinelli from Central Oregon High Desert Chapter
- Spinning Prop Award–Lynn Harbinson from Mid-Columbia Chapter
- Hot Pavement Award– Montana Chapter

Northwest Section Meeting, Continued

A large variety of seminars included:

- Wyoming Chapter sharing about the connection with Amelia Earhart and Wyoming
- CarolAnn Garratt talking about her three round-the-world flights
- A panel of Air Race Classic participants
- Kurt Kleiner explaining how TFRs are determined and how forest fires in Washington impact general aviation
- Kurt Kleiner also shared tips on how to produce great photos from your airplane
- A film on flying in Alaska
- A humorous take on airmarking, along with a "fashion" show on what to wear and what not to wear while painting.

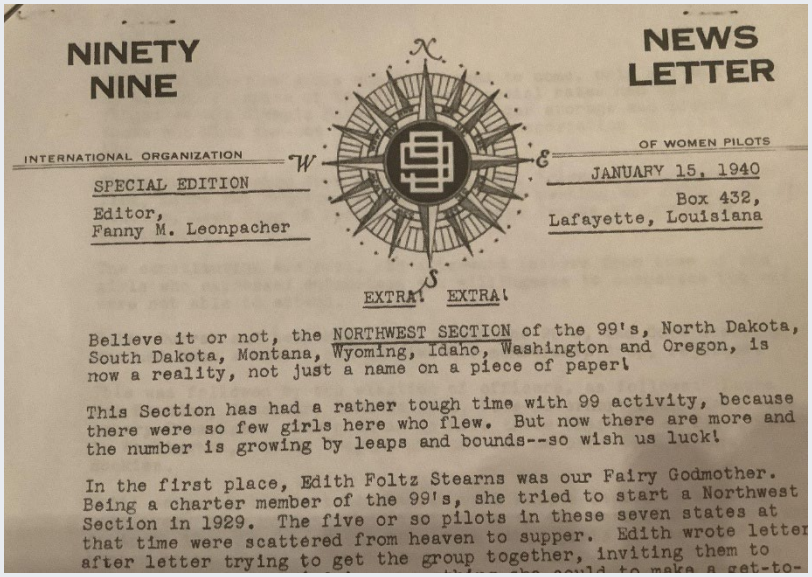
Governor's Gab

by Beth Chapple

Let's look back at the local history of women in aviation this time. Past Northwest Section Governor Betty Prakken flew to new horizons on September 11, 2025. She was born the same year as the Ninety-Nines, 1929, and she joined the organization on June 2, 1960. She was a founding member of the Columbia Cascade chapter, which covers the northern Oregon and southwestern Washington region that straddles the Columbia River. Her term as our NWS governor was 1999-2001. She became a life member sometime along the way. And her son and grandson both became pilots thanks to her. A celebration of her life was held on October 2nd, the same week as our Fall annual business meeting in Butte, so some of us who really wanted to could not attend. Yet we did get a chance to honor her memory with photos and some great stories at the Saturday banquet at the Copper King. This picture of her was taken at her 90th birthday party.

Betty's obituary can be found at:
https://www.legacy.com/us/obituaries/oregon/name/betty-prakken-obituary?pid=210124149

Apparently Betty's artifacts and papers from decades of local Ninety-Nines lore will be donated to the archives at Eastern Washington University in Cheney, Washington. While researching Betty's life, I found out that much longer ago, Past Gov. Minnie M. Boyd donated her papers to the Museum of Flight archives in Seattle. And I found this important file as well, a newsletter article by our first governor that announces the real start of the Northwest Section in Seattle on January 15, 1940!



NINETY NINE NEWS LETTER

INTERNATIONAL ORGANIZATION OF WOMEN PILOTS

SPECIAL EDITION JANUARY 15, 1940

Editor, Fanny M. Leonpacher

Box 432, Lafayette, Louisiana

EXTRA! EXTRA!

Believe it or not, the NORTHWEST SECTION of the 99's, North Dakota, South Dakota, Montana, Wyoming, Idaho, Washington and Oregon, is now a reality, not just a name on a piece of paper!

This Section has had a rather tough time with 99 activity, because there were so few girls here who flew. But now there are more and the number is growing by leaps and bounds--so wish us luck!

In the first place, Edith Foltz Stearns was our Fairy Godmother. Being a charter member of the 99's, she tried to start a Northwest Section in 1929. The five or so pilots in these seven states at that time were scattered from heaven to supper. Edith wrote letter after letter trying to get the group together, inviting them to

"This Section has had a rather tough time with 99 activity, because there were so few girls here who flew. . . . In the first place, Edith Foltz Stearns was our Fairy Godmother. Being a charter member of the 99's, she tried to start a Northwest Section in 1929. . . . Getting everyone together in a Section of this size means that most of the girls would have to be away from their home port for three days to make the trip—if they flew! And since it takes twenty-six hours to get from Seattle to Western Montana on the train . . . So now we've started out again . . . First thing on the reorganization program was a get-together in Seattle on December second. . . . and shortly thereafter plans for a meeting of all licensed women pilots in the Northwest were under way."

GOVERNOR'S GAB CONTINUED

Only six of those thirty-nine were able to attend in person, even though they had arranged a hotel discount and free hangar storage. Laura May Brunton was elected Governor and Leah Hing of Portland (the first Chinese American woman to earn a pilot's license) became Secretary-Treasurer. The article goes on to describe many new members who had joined since their first section meeting. And then: "How's that for a starter?!! And watch our dust—we're going to keep that list right on climbing! There'll be no stalls after this take-off!"

Alaska

We are up and running again, focused on monthly programming, and we'll be getting our other ducks in a row in coming weeks. We are back to 50 members strong. At one recent chapter meeting, Lindsey Norman and Rebecca Waddington spoke about scientific aviation with NOAA and their subsequent flying careers.

Mat-Su Valley

Looking ahead, we are joining the Alaska chapter for a joint holiday party in December. Our monthly meeting topics for the first part of 2026 are Survival Gear in January, Weather Resources for Alaska Pilots in February, and 12 Common Causes of Human Factor Errors in March.

Midnight Sun Chapter

Members of the Midnight Sun Chapter will be featured in a short documentary about the remarkable history and enduring legacy of female bush pilots in Alaska's Fairbanks Midnight Sun 99 chapter. The film, currently in production by Friendly Fishes Films, showcases the trailblazing female bush pilots who created pathways for future generations. The studio showed their trailer at our fall conference in Butte.

Columbia Cascade

In August, the Columbia Cascade chapter hosted another excellent scholarship workshop and seminar. If you missed it, check out the video at https://www.youtube.com/watch?v=ew5sXDUidvU. They also had a great time with a booth at the Pearson 100th birthday celebration in September.

Eastern Idaho

In September, our Eastern Idaho Ninety-Nines were happy to partner with Teton EAA, and the local Civil Air Patrol Squadron at Driggs-Reed Memorial Airport (KDIJ) to provide free flights for over 65 kids. Four dedicated Ninety-Nines members joined local EAA and CAP volunteers, helping with everything from pre-flight briefings to escorting excited young aviators to aircraft. The energy and enthusiasm from these future pilots were absolutely infectious!

A few of our Ninety-Nines were invited to be guest speakers in the Teton High School Aviation classes in October. Teton High School is teaching the AOPA curriculum for credited aviation classes. The 2024/2025 school year was the first time this was offered through the high school. This year, the interest doubled and they had enough students to fill up two class periods! Our Ninety-Nines were guest speakers three times during the 2024/25 school year, teaching topics like Navigation, Military aviation and G-forces. We were honored to be invited to teach again, this time about The History of Women in Aviation," our favorite topic of course!

In November, we delivered Starbucks gift cards to TSA agents at Idaho Falls Regional Airport to show our support during the government shutdown.

Greater Seattle

The Greater Seattle chapter recently had a chapter-wide fly-in to Jefferson County Intl Airport (0S9) where they were given a personal tour of the Townsend Aero Museum.

Greater Seattle 99s Hannah (with future 99s Nora & Rose), Kaylee, Clara, Rebecka, Linda, Madison, Megan, and Diana (behind the camera)

Idaho

Idaho 99s and Gem State Women in Aviation met and talked with over 400 high school girls and educators about aviation at SheTech at the College of Idaho in Caldwell again this year! They also enjoyed an annual fly-in for the Jerome Farmers Market Harvest Festival in October. Be sure to check out Idaho Chapter member Pat Wetzel and Creighkett Gilpin Smith's video, "Bump in the Road: Why It's Never Too Late to Follow Your Dreams," at https://youtu.be/_Wxgfevl_5U?si=tPQVaBlQSk1mzbZY.

Intermountain

We had a great time at Girls in Aviation Day in September. Then in November, student pilot member Angel Base spoke on aviation law and the challenges faced by aviation professionals at the local WPA Meeting.

Did you see the article about Stephanie Hughes in General Aviation News? You can find it at https://generalaviationnews.com/2025/10/31/i-met-my-teenage-doppelganger.

Below: Mid-Columbia Chapter activities at Sisters, Electric City, and Wenatchee, WA

Mid-Columbia

We enjoyed some underwing camping at Electric City (3W7) [right bottom] in August, and had a great Saturday fly out to Sisters, OR (6K5) [right top] in October. We also want to thank everyone who helped paint the compass rose in Wenatchee (KEAT) [below] in September!

Oregon Pines

The Oregon Pines Ninety-Nines chapter visited the Oregon Historical Society's "She Flies with Her Own Wings" exhibit in September! The exhibit is super inspiring and a great way to learn about Oregon's rich aviation history!

Wyoming

The revitalized Wyoming Chapter has had a very busy year. In 2025 we have:

- Reestablished communication with the Wyoming membership through public and private Facebook pages, Instagram, emails, phone calls, and Slack.
- Designed a logo that features the Wyoming 99s on our t-shirts, correspondence, and posters (that we are posting on Wyoming FBO bulletin boards far and wide).
- Held virtual monthly board meetings, bimonthly membership meetings, and an in-person gathering in Cheyenne, Wyoming, in April 2025, with attendees from across the state, the Northwest Section, and the Colorado Chapter.
- Co-hosted the NWS Fall Meeting, including serving as the meeting treasurer/treasury and organizing a panel on the Air Race Classic and Amelia Earhart's connection to Wyoming.

- Provided volunteers to support the Air Race Classic in Gillette, WY, with TC Brown, a long-time member of the Wyoming 99s, serving as the Stop Chair.
- Partnered with the Colorado Chapters to host a Poker Run Fundraiser, with two of the seven stops located in Wyoming.
- Attended the Spring 2025 Meeting in Washington to learn, lesson, and share.
- Celebrated one of our members receiving a First Wings Scholarship.
- Attended the Monthly Leadership Round-Tables.
- Participated in several fly-ins for outreach and recruitment.
- Updated treasury and financial documentation that had fallen through the gaps during Wyoming's "silent" period.

The 99s are excited to partner with Lightspeed for a quarterly giveaway of a Lightspeed Delta Zulu headset! Once every three months, we will draw a new name for a headset - no purchase is necessary, all you have to do is fill out the form from this webpage link.
